Dear Dance Team Hopeful,

Thank you for showing interest in becoming a part of the DAZZLERS Dance Team for Cypress Ridge High School. Being a part of a dance/drill team allows you so many wonderful growth and leadership opportunities for your school and your community.

Members of the Cypress Ridge DAZZLER Dance Team will attend camp, practices, games, events, and scheduled meetings. Dancers will also have numerous performance opportunities for both the school and the community. Please realize though, that drill team is a full year commitment and members will be expected to maintain excellence in academics, while at the same time balance the demands of an extra curricular activity. In addition to performing and keeping grades up, membership will also allow you to meet new friends and represent your school all at the same time.

Dancers on this team will be setting the standard for the dance program at Cypress Ridge. Please think and take into consideration all aspects of the try-out before making your final decision. **This packet is full of important information and you should share this opportunity with your parents.** The DAZZLERS at Cypress Ridge seeks positive, energetic young ladies who are responsible, hard working and ready for participation in school activities. Please see the calendar for important dates and information.
